Dangerous coughs. Extremely perilous coughs. Coughs that rasp and tear the throat and lungs. Coughs that shake the whole body. You need a regular medicine, a doctor's medicine, for such a cough. Ask your doctor about Ayer's Cherry Pectoral.

### CAUTION.

Imitations have been placed upon the market so closely resembling Alcock's Plasters in general appearance as to be well calculated to deceive. It is, however, in general appearance only that they compare with Alcock's, for they are not only lacking in the best elements which have made Alcock's so efficient but are often harmful in their effects. Remember that Alcock's are the original and only genuine porous plasters—the best way is to always insist upon having external remedy known—and when purchasing plasters the only safe Alcock's.
